VAT Refund

Is your company liable for VAT? Do you receive invoices with foreign VAT (for example travel invoices)? Did you know that you can apply for refund for these costs from foreign tax authorities?

Let our experts help you with this process so you don't have to dig into different countries' regulations and requirements! We can take care of the whole reclaiming process on your behalf.

A company with cross-border B2B activities?

We offer professional refund service covered with insurance, Concur Connector, electronic invoice collections, reclaiming incorrectly charged VAT etc.

Transport company?

We can speed up your cash flow by paying the refund from fuel invoices to you in advance! We offer fast refunds paid max in 14 days after receiving your invoice material. We offer also excise duty refunds from Belgium, France, Italy and Spain, which can enable you a reduction of costs up to 20%!

How it works:

1. Sign a contract with us
2. Send invoices with foreign VAT electronically to us
3. Our specialists will check the material and prepare the applications
4. Provide us the needed documents (upon request)
5. After positive decision from tax authorities, we will transfer the refund directly to you together with the related reports

VAT Consultation

Is your company having imports of goods from outside the EU or exporting goods out of the EU? Are you maybe planning to widen your operations within the EU?

We assist companies in various questions related to value added taxation by providing written guidance on how to proceed the most beneficial way or correctly.

VAT Compliance

It might not be easy to comply with value added tax related regulations, obligations and laws in a foreign country.

Outsourcing to a professional specialized in value added taxation gives your company many benefits.

We offer:

- An extensive knowledge of EU wide value added taxation
- The necessary language skills for handling VAT registrations and returns
- An extensive agent network (local agent is a prerequisite in some countries for VAT compliance matters)
- Single window benefits
- VAT portal for easy communication and electronic transfer of documents
- Fast, accurate and reliable replies to your foreign VAT matters.
